Deah would like to find a way to do a mixed ensemble. Luis has suggested dissolving Serata for a couple years and then move into more of a men's choir. He is not interested in a hybrid program. Deah will continue to try and split time to work with the boys and Luis to pull the program up.
 - c. Deah would also like to bring in some specialists to help singers with their stage presence. This would need to be worked into the budget is it is something we want to move forward with. She will work on numbers to present.
3. Upper Division Retreat:
 - a. Budget will need to be set at \$8500 to cover the rooms, rehearsal spaces, food and music.
 - b. Deah will be sending out the details and a sign up so we can gauge where we are with numbers.
 - c. The hotel is very flexible with rooms, have plenty of time to cancel what we do not need. Food numbers not needed until week of retreat. Final budget numbers will be based on the participation numbers.
4. Budget Update:
